

AGRO accepts clean yard waste (ie. grass clippings and leaves), wood chips, tree debris, logs (please refer to “Log Size Specifications” below), as well as, pallets and other **untreated** and **unpainted** scrap wood. We do **not** accept stumps or unground material from clearing jobs. All loads are subject to visual inspection and may be refused for any reason. Please remember, **AGRO** is **not** a landfill. The material you tip is recycled into a high quality mulch for the landscape market. Therefore, we do not accept concrete, metal, plastic, landscape timbers, railroad ties, brick pavers, rocks, asphalt chunks, **pop cans, lunch wrappers**, or any other non-organic materials. Tipped loads containing **any** of the items listed above will be subject to a **\$10.00 per piece** contamination fee. Any customer with excessive or reoccurring infractions may lose tipping privileges.
